with disabilities*

Welcome

For 40 years, Jersey Cheshire Home has been supporting vulnerable Islanders who have a disability. We provide a home, quality specialist care and the ability to stay on Island, surrounded by the much-needed support of their family and friends when they are most needed.

Jersey Cheshire Home receives **zero Government funding** and therefore we rely on the generous support of the business community and individuals to enable us to achieve our goal of providing the very best quality of life possible for islanders living with disabilities.

Most of the individuals we care for have lived a disability free life and through no fault of their own have had an accident, or have developed an incurable disease that has resulted in a physical and or neurological disability. We help individuals to navigate some of the hardest and most frightening times of their lives.

Our approach to care is built around enhancing lives, we offer a home from home, rehabilitation, and a purposeful life after disability. More importantly we offer support, increase independence and we consistently deliver quality care, making life easier.

As a local charity we are proud to say that the difference we make to people's lives is tangible and we can evidence this. All money raised through the generosity of individuals, businesses and trusts is traceable and all stays on island. We have an open invitation for anyone to visit us to see for yourself the different kind of difference we are making.

We truly believe that any corporate partnership we foster must be mutually beneficial. We will provide you with shareable content demonstrating how your generous support is making a difference to those who need it most and offer your teams opportunities for involvement.

With compelling images and real-life stories of change, we'll help you illustrate the impact of our partnership. With permission and where relevant, we can help raise the profile of your business and brand connected to a charitable purpose. Together, we can demonstrate your organisation's social commitment to the island.

We are open to long and short-term support through payroll giving, one-off donations, project sponsorship and charitable gifts. We would welcome the opportunity to develop a meaningful and sustainable partnership that will add value to the disabled community within Jersey Cheshire Home.

What is Jersey Cheshire Home?

Jersey Cheshire Home cares for physically disabled people aged 18 and over with a range of complex conditions such as neurological and degenerative conditions that have no cure; resulting in them no longer being able to live in their own home.

We offer quality care based on respect, compassion, love and kindness.

Residents stay with us for as long as they need care. The average stay is 15 years; however some residents have been in our care for over 30 years.

Jersey Cheshire Home's purpose-built facility can accommodate 30 full time residents. We offer additional services in the form of aqua therapy and physiotherapy enabling us to help well over 60 additional individuals each week to manage and improve their conditions.

We also support individuals and families with day care. Our day care is designed to meet the needs of those individuals within the disabled community who, whilst able to live in their own home, may have difficulty performing activities of day to day living. Day care benefits the individual by not only providing a change of environment but also the ability to socialise and meet new people.

3 MILLION

It costs over **£3 million** to operate Jersey Cheshire Home.
That is **£250,000 a month** or just over **£8,300 a day**.

What we do

Our services provide physical, as well as emotional, support and wellbeing through healthcare and the provision of social as well as recreational activities.

Therapeutic Activities

We have an aqua therapy pool, maintained at a constant 35 degrees Celsius with access ramps and a poolside hoist.

Gym

Our fully equipped gym features advanced equipment specifically designed to benefit those with disabilities, such as multiple sclerosis, Parkinson's, spina bifida, stroke and head injuries.

Rehabilitation

We have a qualified therapies manager, an occupational therapist and a physiotherapist on staff helping to improve movement and ability to perform tasks in everyday life.

Home from Home

Our purpose-built home means accessibility is never an issue, we have state of the art en suite rooms to meet a variety of needs.

Quality Care

We have highly skilled Registered Nurses and Health Care Assistants passionate about delivering quality care to disabled islanders.

Respite Care

Our respite room provides a much-needed break for home carers and family members as well as enabling a holiday for respite.

Sensory Room

Our sensory room has been specially designed to gently stimulate the senses, helping to reduce an individuals fears and enhance trust with carers.

Activities

We arrange many games, activities, outings and shopping trips to ensure residents' needs are catered for.

Entertainment

Our monthly themed events provide a great setting for our residents to have fun, sing karaoke and sample some cultural foods, enhancing social inclusion.

What can you do to help?

Adults with disabilities report experiencing frequent mental distress almost five times as often as adults without disabilities. Having something to look forward to as well as actively promoting social inclusion, acceptance, and a sense of belonging and fun can help reduce this.

Our monthly events focus more on types of activities adults with disabilities can do and less what they can't do.

Our themed events available for sponsorship include:

Date and Date of Event	Theme	Sponsorship
Wednesday 25 January	Burns Night	£1,000
Tuesday 14 February	Valentine's Day	£1,000
Friday 17 March	St. Patrick's Day & Red Nose Day	£1,000
Sunday 9 April	Easter Sunday	£1,500
Friday 16 April	Thai New Year (Songkran Festival)	£1,000
Friday 22 April	St. George's Day	£1,000
Monday 8 May	Liberation Day	£1,500
Wednesday 21 June	Summer Solstice (Themed Party)	£1,000
Friday 1 July	Madeira Day	£1,000
Friday 21 July	40th Birthday Celebrations	£1,500
Monday 31 October	Halloween	£1,000
Friday 1 December	Romania National Day	£1,000
Monday 25 December	Christmas Day	£1,500

We're always open to ideas and if your organisation would like to host a specific event for our residents then get in touch.

All money raised will go towards the running of the event, decorating our dining room and covering some of our bills.

Can't make it into the Home? No problem why not invite your teams to take part via Zoom!

To support or take part in any of our events please email fundraising@jch.je or call Michelle on 01534 285858 for more information.

ENHANCING DINING EXPERIENCE

To create a more positive dining experience for our residents and to future proof our kitchens and equipment.

We need financial support to deliver a supportive dining environment for our residents; we wish to offer a more personal controlled experience to our residents.

We also need your help to enhance the overall sensory experience by having a servery that has the functional ability to adjust to the height of the required wheelchair level.

£120,000 of financial support needed

TO IMPROVE GARDEN ACCESSIBILITY

We need to make modifications to our garden to provide easy and safe access for residents with a range of disabilities.

We would like to build a bridge to enable access from the first floor to the garden, to create an activities chalet room and to build raised garden beds to avoid the need for bending and stooping.

We will provide tables that are wheelchair accessible so that people can enjoy potting and planting together, and provide an outdoor sensory garden and lighting.

£50,000 of financial support needed

Community is a central part of our vision at The Channel Islands Co-op. We are a community retailer, and we aspire to make a real difference to our community every day. Jersey Cheshire Home holds a unique position within the island providing essential care for disabled islanders, we have been delighted to support the amazing work of the dedicated team at the home through our Community Fund. It has been great to see our connection with the home growing further as we have understood more about the great work they do, with a number of our colleagues actively participating in their charity treks to assist the home in delivering its important mission of enhancing lives.

DIRECTORS OF T&G LIMITED

T&G have undertaken several projects for Jersey Cheshire Home over the years and our relationship has developed to become more than a simple client-provider type. Their example and dedication to their own clients has inspired us, and we are pleased to not only support them in our capacity as civil and structural engineers, but our staff have chosen to raise funds for them through sponsored treks and by donating directly through our Payroll Giving initiative.
