How you can get involved

Sponsor a themed celebration day

Adults with disabilities report experiencing frequent mental distress almost five times as often as those without.

Having something to look forward, social inclusion, acceptance and a sense of belonging and fun can help reduce this.

Our events focus on the types of activities adults with disabilities can do and less what they can't do.

Each year, we organise fantastic, fun themed days to bring joy to our residents. Your sponsorship will cover the cost of entertainment and decorations and also offer a great opportunity for your employees to be directly involved.

Examples include:

- **Music & Dance** – Live music, interactive sessions and dance performances.
- **Arts & Crafts** – Creativity-focused workshops and projects.
- **Sports & Fitness** – Adaptive sports, challenges and wellbeing activities.
- **Seasonal Celebrations** – Valentines Day, Liberation Day, Easter, Summer BBQs Christmas and more.

Plus, we are always open to ideas, if you have a specific idea then we'd love to hear it!

Partnership projects

Help us to provide the very best standard of care to our residents by funding specific funding for projects such as:

- Rehabilitation and therapy programmes such as hydrotherapy, physiotherapy and wellbeing initiatives.
- Specialist equipment and technology to improve residents' quality of life.
- Facility upgrades such as our garden accessibility and enhancement project.
